NOTICE TO ALL CANDIDATES REGARDING PROXY SOLICITATION PROCESS AND RESPONSIBILITIES

The regulations of the Alaska Division of Banking and Securities have very specific language regarding the disclosure and compliance responsibilities of board candidates. In particular, Section 3 AAC 08.345(c) provides:

3 AAC 08.345(c): If a candidate included in a board solicitation or a candidate soliciting write-in votes does not engage in additional proxy solicitations, the candidate may rely on inclusion in the board's proxy statement, but the candidate remains responsible for the accuracy and completeness of the information the candidate provided to the board. If, however, the candidate, whether recommended by the board or a candidate included on an open proxy, elects to engage in any additional solicitations, the candidate must comply with 3 AAC 08.355.

Regulation 3 AAC 08.355 governs non-board solicitations. **It requires disclosure of information that may be different than what is included in the Corporation's proxy solicitation.** In order to be eligible for inclusion in Koniag's proxy solicitation, candidates must acknowledge and affirm their responsibilities and understanding as follows. Please initial next to each statement, and sign at the bottom of the page.

_____ I understand that I am responsible for the accuracy and completeness of the information I provided to Koniag.

_____ I understand that if I engage in any additional solicitations for proxies or votes beyond Koniag's proxy solicitation, (1) I must provide a copy of all such materials to Koniag immediately upon publication or dissemination; and (2) I am personally responsible for my compliance with any additional disclosure obligations outlined in 3 AAC 08.355 which is the regulation governing non-board solicitations.
